

Karl Ulrich, Board Chair

As Chair of the United Church Homes Board of Directors, it is my pleasure to share my reflections on a busy 2023. Every year presents new challenges and opportunities, and 2023 was certainly no different. Overall, 2023 was also a year of recovery and renewed strength. Through it all, UCH has remained fiercely dedicated to its core mission. This is possible because of UCH's greatest strength - its

people. In 2023, teamwork, creativity and dedication to mission were once again on full display.

In 2023, UCH substantially improved its overall financial performance despite lingering post-COVID headwinds. UCH revenue performance was strong due to improved occupancy in many communities and effective cost management across the organization. Nonetheless, UCH made the difficult decision to divest itself of The Fairhaven Community. While difficult in the extreme, the move enables UCH to continue to grow and innovate in response to rapidly changing market conditions.

The organization continued to build community, innovate and collaborate – key components of UCH's longer-term strategic plan. UCH is proud to be one of the founding members of the new Radiant Alliance, a collaboration of organizations in the supportive care and housing sectors. Radiant Alliance is an entirely new and unique business model. This alliance will craft innovative solutions for aging Americans and others with complex health needs. Through Radiant Alliance and other efforts, UCH will also continue to expand its low to middle-income housing offerings to serve those who too frequently are left without affordable options. Radiant Alliance will enable UCH, in collaboration with like-minded nonprofits, to reach new in-need populations.

UCH also continued to expand its creative NaviGuide service line in addition to acquiring two home health licenses. This acquisition will enable UCH to develop and grow new in-home healthcare services. UCH has implemented and grown a human-centered design project to involve its stakeholders, especially residents and staff, in crafting innovative technologies and growing philanthropy.

UCH continued to make progress in developing and managing its human resources. The organization continues to advance its Diversity, Equity and Inclusion program and its living wage benchmarks to increase starting wages to higher levels. UCH has also added cadre of talent by adding even more high-level expertise to all areas of the organization.

In 2023, the Board was pleased to promote Rev. Ken Daniel to CEO of both UCH and Radiant Alliance. At the same time, the Board was pleased to promote Ken Young to President of UCH. This leadership restructure recognizes the increasing importance of Radiant Alliance to the long-term growth and development of UCH. Even more, the Board's action honors the talents of two of the most remarkable leaders with whom I have had the pleasure of working.

On behalf of the UCH Board of Directors, I want to again thank all of the donors, volunteers, staff and leadership of UCH for their dedication to this important work. May God continue to bless this ministry and all those whom we serve.
